Dear Cllr Kitchen

The report to the CS&L
Committee is meant to be a
factual and objective report on the
meeting. The amendments
suggested reflect this and are in
no way meant to upset you. As
you say the other information is
on your blog and is not
considered relevant to the
Committee, Can I therefore ask

you to reconsider make the
requested changes.

Kind regards

Alice

Alice McAlpine

(She/Her)

Monitoring Officer

Stroud District Council
